The Pantheon Saloon is the depot for the celebrated Enterprize Beer, where it can always be found cool and fresh on tap. We do not deal in "Fredericksburg Beer" as the morning Paper through some mistake has advertised. Call at the Pantheon for re-freshing drink.

JIM DODD, Proprietor.

Talk about braying asses. The town is full of them. McBrayer's whiskey is only to be found at the Empire Saloon. And when it's found it stays.

En. Regna of the Empire Saloon has made a new deal which will touch the hearts, or at least the palates of many a thirsty wanderer. He keeps "half-and-half" on draught and serves a most delicious and cool beverage, far superior to "plain" beer.

Macfarlane is in no way interested in Klemme's candidacy in spite of the "Star" and "Advertiser's" statements.

A carrier-pigeon made the journey from Hana to Kahului in forty-five minutes. This is an unusual good record.

Nobody takes any interest in the election today. The candidates might as well have been elected by acclamation.

The most cultured audience of the season will assemble at the Opera House tomorrow night to witness "Saints and Sinners".

Preparations for the St. Andrews fair which will take place next month are being pushed vigorously and a great success is assured.

H. Klemme is ahead at the polls. Those of his friends who have not voted yet should hurry and cast three ballots for the only independent candidate.

The Honolulu composers were highly delighted over "Caprice" last Saturday evening at the Opera House, where they went through the generosity of the ever popular Dailey.

The first of the new republican stamps has been placed for sale. Its denomination is 12 cts. It is designed by Mr. Holdsworth and is simply beautiful. It is one of the prettiest stamp in use anywhere.

Saints and Sinners.

This great drama from Palmer's repertoire, which is a pronounced success in both England and America will have its initial presentation here tomorrow night. The action is laid around Jacob Fletcher, an Episcopalian Minister and his daughter Letty. Fletcher and Deacon Hoggard have the estate of a widow in trust and Hoggard wishes to place a low valuation on the property in order to purchase it which Fletcher declines. Letty loves a London rascal, Capt. Fanshaw, but consents to marry a country lad George Kings Mill. Fanshaw abducts her to London and ruins her under promise of marriage, and upon its becoming known both Fletcher and Kings Mill follow and bring her home. Hoggard learns her secrets and holds her as the price of silence or a low valuation on the property. Fletcher declines both, confesses his child's shame to the congregation and resigns, both going out into the world to live down their shame. Fletcher earns a few pennies preaching in small hamlets and Letty contributes a few mites until taken down by sickness. Hoggard wrecks a penny bank and is saved from ruin by Fletcher. The church deacons try many ministers, but finally vote to recall old Jacob and request him to bring back Letty, but the hand of death saves her having to return and their acknowledgment is sufficient proof that she had lived down her one sin.

A Canoe Ride.

Mr. Fred Harrison received a short while ago a canoe from the Fanning island. He and some friends took a ride in it yesterday starting from Sans Souci, and they all say that it was like flying over the water with pleasing prospects of getting under it. The canoe which is an outrigger is extremely light and carry canvas enough to make bark move along. Willie Greig steered the boat and "Jack" Atkinson, H. Bertelmann Geo. Lycurgus and Oliver Stillman hang on to the sail and their seats.

Jos. Marsden and J. G. Spencer had race Saturday morning. The terms were heel and toe walking. Mr. Marsden won by several feet. Time unknown.

Amunition was freely wasted by alleged sharpshooters yesterday to the annoyance of those residents of the plain who believe in a quiet Sunday. The Sabbath under the "holy" republic is rather noisy.

There was a small blaze in a cottage opposite the Mormon Church and occupied by a Portuguese. The department turned out but the fire which amounted to nothing was put out before the engine arrived.

The C. J. was prancing around town this morning evidently seeing if everything was ready for the wonderful election which it is stated takes place today. It is not believed that his honor was electioneering for Klemme.

The Claudine was unable to land passengers at Honokaa on her last up-trip and was obliged to put into Kawaihae, where Dr. Atcherley and his fiancée Miss Mary Leleo were landed. The young couple continued their journey to Hamakua overland.

The fishing party which left last Saturday afternoon in the J. A. Cummins for Kaena point, returned to town last night. The excursion was not a success as far as fishing was concerned only one large fish being caught. But it was a "very" large one. A shark!

The case against John Richardson of Wailuku instituted as a debut by Czar Lorrin Andrews has been partly heard before Judge Helekaniki. Mr. W. O. Smith's trip to Wailuku was partly in connection with this case. It is understood that an offer of a compromise was refused by Mr. Richardson who will open a damage suit.

More Immigrants.

The *Manila* arrived yesterday nineteen days out from Kobe. She brings 900 immigrants for this port. The passengers will not be quarantined, but they and their baggage will be fumigated at the station. Under the law the men must either sign a contract and go to the plantations or produce \$50 in coin. Most of them came here with an understanding of shipping. The *Manila* is consigned to Ogura & Co. and carried a heavy mail.

President Helen Wilder of the Humane Society, stopped an overloaded omnibus on Nuuanu street yesterday morning, and directed the driver to put some of the passengers out. The arrival of an extra horse made the precaution unnecessary and the bus proceeded. There were considerable "french" talk and blue streaks in the air from the occupants of the vehicle.

That there is considerable interest being taken in our proposed Volcano trip is quite evident from the various questions asked us. As we have said before we would like to send you all at our expense, but our Quick Sales and Small Profit system of doing business does not leave us margin enough for that, so we have been to see Mr. Chase, the General Passenger Agent at his office, Williams' Art Rooms, and made this arrangement with him, viz: That any person forming Clubs of not less than ten people [holding one or more of our Sales Tickets] he will issue a round trip ticket to the Volcano at a Reduced Rate. You can go whenever you please, but must all go together. He further says that anyone wishing to join the party can do so independently of the Club if they have one of our checks. To those who wish to make the Volcano trip, now is the time to take advantage of the reduced rate.

We have so many new things to talk about this week, it's hard to know where to begin, but we must call our attention to the fine line of Ladies' Underwear just received.

CHEMISES, DRAWERS, and NIGHT GOWNS of latest patterns in all grades. We also call especial attention to some new designs of Ladies' Shirt Waists just received. New goods are being opened daily. Do you want to go to the Volcano? If so save your Quick Sales and Small Profit tickets.

Save all your Sale Checks. You may be the lucky one.

HIRES ROOT BEER

HIRES ROOT BEER

Root Beer

The most APPETIZING and WHOLESOME TEMPERANCE DRINK in the world. TRY IT. Ask your Druggist or Grocer for it.

C. E. HIRES, PHILADELPHIA

NERVOUS.

ARE YOU?

Can't sleep, can't eat, tired, thirsty? It's a tonic you want.

HIRES ROOT BEER

purifies the blood, tickles the palate.

WHAT'S THE DIFFERENCE?

You drink

HIRES ROOT BEER

for pleasure and get a tonic. You take it as a tonic and get pleasure.

Morning, Noon, Night

Good all the time. It removes the languor of morning, sustains the energies at noon, lifts the weariness of night—HIRES ROOT BEER—delicious, sparkling, appetizing. Good as a luxury, good as a tonic.

It is beyond all dispute a wonderful health-giving drink, and it is very easy for any one to understand why this is so. The root, herbs, bark and berries, from which HIRES ROOT BEER is skillfully made, are the identical things from which physicians get their most helpful remedies. For instance: Do you believe that sarsaparilla is a valuable remedy? Well HIRES ROOT BEER contains more sarsaparilla than many sarsaparillas. The same is true as to other ingredients.

It is doing more to advance practical temperance than many people realize. It is used and recommended by the most cautious and conservative temperance people. The most scrupulous abstainer can enjoy HIRES ROOT BEER himself, and recommend it to others as an agreeable and healthful substitute for the strong drink which he opposes.

It is a homemade and homelike beverage. It is very easily prepared, and if the plain directions are followed, it will always be good. Every member of the family, from the baby to the grandfather, can enjoy HIRES ROOT BEER, and every one of them will have better health for each swallow they take. It improves the appetite, purifies the blood, and tones the whole system. Children especially delight in HIRES ROOT BEER. Its preparation interests them, and its use does them good. In thousands of homes, "HIRES ROOT BEER that mother made," will be among the happiest recollections of childhood.

BEWARE! Do not confound it with other Rootbeer preparations, as it is entirely unlike anything else of the kind. Beware of extracts advertised for making Rootbeer, as they are composed chiefly of coloring matter and oils to give them flavor, which excite the nerves and cause nausea.

HIRES Improved Rootbeer packages makes really the most harmless of our fashionable drinks, yet nourishing and strengthening the blood. It cleanses the system of the poisons humors that develop in kidney and urinary diseases, and in fact, in any case that arises from an impure state of the blood.

HIRES Improved Rootbeer is offered to the public with full confidence of its merits. It contains no poisonous or injurious properties whatever, and an infant may take it with perfect safety.
